Re: Jacob Alfred HASTINGS

Folio 1246 1906

Number 25037

Order Number 25447

Jacob Hastings Aged 54 Labourer

Buried 31 March 1906

Address 18 Eldon Place, Birkenhead

Public Grave Section 7 Grave 476

Buried by WHF Robson Registrar Fred Sanderson

Because it is a public grave there was no need to check the Grave Register.

My note - Public Graves -

The family is unable to afford to buy the full plot of land for the grave so they buy just one space and the deceased goes in with whoever else buys the other spaces.
